### Information about the Service

#### What is the service?

Business Smart™ Mobile service is a SIM-only post-paid service to be used with existing mobile handsets. You can either request a new number or port across an active number from another carrier. Business Smart Mobile services under the same account share their monthly data allowance.

#### Mobile Handset

You will need to bring your own unlocked mobile handset that can access the 4G network.

#### Mobile Network

UNIFIED NET PTY. LTD. (ABN 81 621 735 000) uses parts of the Telstra Mobile Network that cover more than 98.8% of the population with 3G and 97% of the population with 4G.”

## Business Smart™ Mobile 24M – Critical Information Summary
